Who forgave you before they died and what did they forgive you of?

Name your top three weaknesses:

What two items and one secret item are you bringing?

In order to complete the full or partial ritual, you need the following items. The ritual cannot begin before 3 a.m.

Full: All three magic switches must be set to *primary colors* (Red, Blue, and Yellow), obtain the *King's Claw* item, and bring the body (dead or alive) of *Player 4's* character to the cracked seal. Once done, the Game Master will give you the rest of the information needed.

Partial: At least *one* magic switch must be set to a primary color, obtain the *King's Claw* item, obtain either the *Glass Eye*, *Onyx Ring*, or *Demented Diary* items (*only one is needed!*), and bring the *body part* belonging to any other player but yourself. Once done, the Game Master will give you the rest of the information needed.

There will come a time when colors appear in the form of a switch. When it comes time to interact with this switch and you are present at this location, you must try to convince the other players to turn it to the colors below.

All primary colors (Red, Blue, Yellow)

Player 3

What is your name?

Connors

What is your occupation?

What is your family life like?

Why did you feel particularly close to your grandfather, Henry Connors?

What is your proudest moment?

What unique skill or talent do you possess?

What is an irrational fear you have?

What is your darkest secret?

How has your attention to detail saved your life?

How might your life be different if you haven't driven off in a rage that night?

What addiction do you hide from your friends?

When all else is quiet, how do you silence the screaming in your head?

Why haven't you scattered your brother's ashes yet?

Name your top three weaknesses:

What two items and one secret item are you bringing?

In order to complete the full or partial ritual, you need the following items. The ritual cannot begin before 3 a.m.

Full: Obtain the *Ashen Dogwood Stake* item, and bring the body (dead or alive) of *Player 1's* character to the cracked seal. Once done, the Game Master will give you the rest of the information needed.

Partial: Obtain the *Ashen Dogwood Stake* item, obtain either the *Cracked Skull Bowl*, *Onyx Ring*, or *Demented Diary* items (*only one is needed!*), and bring a *severed limb* belonging to any other player but yourself. You will need a way to light something on fire. Once done, the Game Master will give you the rest of the information needed.

There will come a time when colors appear in the form of a switch. When it comes time to interact with this switch and you are present at this location, you must try to convince the other players to turn it to the colors below.

Red calls out to you, though you want to stay away from **Orange**
